Flag: Follow up

Good afternoon,

You're receiving this email because you've been identified as a point of contact for completing an action item as follow-up to EPA ORD's recent meetings with the Region 2, 3, 9 and 10 states (as well as tribes in Region 9). Attached is a table with the list of action items, who each has been assigned to, and the status of each. Also attached are the meeting summaries from the four meetings if you want to look through them to find more context on your action item(s).

Please take the necessary steps towards completing these action items before Thanksgiving. Please send the information to Erin McCabe and me by **November 22**, and we will compile responses and send to the states. If you need to reach out to a state directly or have questions about this request, please let me know. Thank you for your continued support of our work with the states.

Best,
Lisa
